

CYC Center Sound Series Race #3

Sailing Instruction Amendment

April 1, 2022

Reason: (NOT a sailing instruction) To allow more flexibility in getting a race completed in the forecasted condition, the following changes are made to the SIs below. The Start / Finish line may move North to make a Northerly course shorter. Any mark may be a gate so that there are opportunities to shorten the course if the breeze does not allow the course to be fully completed. Letters are assigned to Scatchett Head and TTPYC marks so that they may be used in an alternate course.
