

By completing this registration, and signing my name electronically, I agree that I understand and consent to the following refund policies.

Registration fees are essential for us to pay off our staff and expenses and are often nonrefundable on our end. Refunds will be processed less the administration and processing fee ("transaction fee" equal to **\$25 per transaction**) charged to us by our registration and credit card processing software.

Our **normal rescheduling policy** will be in effect for circumstances unrelated to COVID-19: **Any rescheduling will incur a \$15 fee.**

**Membership requirement:** By signing your child up for camp, you agree that you are either currently a member of CYC Seattle, or attest that you will become a member of CYC Seattle, by submitting your application no later than the first Friday of the month of your child's chosen camp week, eg if your child is registered for camp the week of July 11<sup>th</sup>, your application must be submitted by 5pm on July 1<sup>st</sup>. Failure to submit an application will result in a **forfeiture of your child's spot** in camp as well as **50% of your registration fee**. This requirement is due to US tax law.

COVID-19 Considerations: We will run programming within guidelines of local state and National Health organizations and will cancel programs if we are unable to instruct within those guidelines.

If **cancellations are made to programming due to COVID-19**, participants will have three options:

1. Apply tuition towards available programming with **no fees**.
2. Hold tuition in their account and use it for future programs with **no fees**.
3. Receive 100% refund less the transaction fees.

If camps are **cancelled** midweek due to COVID-19 concerns, participants will receive the option to reschedule instructional hours or receive a prorated refund, less transaction fees.

If participants or family members are impacted by COVID-19 and unable to participate in camp in accordance with quarantine or social distancing practices, refunds will be issued on a case-by-case basis up to five days prior to the start of camp. Participants may choose up to apply tuition to future programs, or receive a refund, less transaction charges.

Our **normal cancellation policy** will be in effect for circumstances unrelated to COVID-19:

At least 30 days prior to the start of camp:

100% of their CYC camp registration fees, less transaction fees.

Between 14 and 30 days prior to the start of camp:

If we are able to fill the space at camp, 100% of their registration fees, less transaction fees. If we are unable to fill the space, the camper will be given a 100% refund of their registration fee in the form of credit towards camp in the same calendar year.

Within 14 days of camp:

If we are able to fill the space at camp, 75% of their CYC registration fees will be refunded. If we are unable to fill the space, no refund will be given.
